She was brought back by popular demand after our October dance where the theme, "Girls Just Wanna Have Fun," sure became a reality. Food will be catered by Ala Carte. When you arrive at the dance you will be given a free drink ticket good for one beverage of your choice. RSVPs are necessary, so call Donna early at 481-4538 to make your reservation. Please leave your name and the names of your guests. Tickets will be $10.00 for members and $15.00 for non-members. Drinks will be sold for $1.00 for non-alcoholic beverages, and $1.50 for beer and wine. Volunteers are needed to make this a super dance. Call Corky at 446-5131. Bring yourself, your sweetie, your friends and fill your **dance card!**

At the January meeting about 90 women shared a cozy space to hear our three speakers talk about techniques which can enable us to get what we want. Two of the techniques they suggested were that we 1) set long term goals by writing a list of our wildest and fondest dreams, and 2) dissipate negative energy from others before saying what we want them to hear. They were pretty good, for straight women.

It was announced that Jessica Booth, who served as Chairperson of the Program Committee all last year, resigned from the Steering Committee. We want to specially thank you, Jessica, for all those wonderful programs you arranged for us.

Our membership elected two new members to the Steering Committee: Judith Franks and Tommye Kepley. Congratulations, y'all!

Successful SACWN-ite:

Audrey Mertz, who is a psychiatrist, has published a chapter in the recent book edited by Ann Burgess, *Sexual Exploitation of Patients by Health Professionals.* Audrey's chapter deals with the Miofsky case and is entitled "Sexual Abuse of Anesthetized Patients." Congratulations, Audrey!

We know you're out there making an impact, here's where you should be taking a bow. Inspire your peers and let us share in your career achievements. Applause and appreciation are only a phone call away. Contact Thea, 551-2053 wk/922-1809 home.

Survey Results:

At the 1986 Meeting/Dance we asked our members to take time from the festivities to complete a multi page survey. We wish to thank you for your effort and let you know that the information that we gathered has helped reinforce that we are "steering" SACWN in the direction of our members' needs and interests.

Eighty-one surveys were turned in and tallied. Of those who responded, our average SACWNite was 35 years old and made $30,700 annually. She attends primarily for social reasons and secondarily for educational or business reasons. Her preference for future meeting topics was career issues first and foremost with entertainment, feminism and relationship issues all ranking very closely together. She has a 62% chance of being in a relationship. Confidentiality is important to her and the cost of SACWN functions she considers to be reasonable. She wants more dances, she reads the newsletter, and she thinks the committees are doing a first rate job. Her profession could be just about anything!
